

United 1st FCU donates \$5,350 to the Southeast Cancer Unit

The Southeast Cancer Unit held their annual fundraising Walk on April 28. An amazing total of more than \$119,000 was raised by 22 teams from the area. United 1st Federal Credit Union's Blackshear and Waycross staff were honored to help raise funds totaling \$5,350! They held a Valentine basket raffle and sold t-shirts earlier in the year, and cooked ribs & chicken which they sold from their booth on the evening of the Walk.

Highlights of the event included the Walk of Stars and the Memorial Candlelight Lap. All of the money raised stays local to help friends and neighbors diagnosed with cancer in Brantley, Pierce and Ware Counties.

Pictured here is part of the United 1st team participating in the Walk.
