

# Lobbies set to Reopen

## March 31, 2021

United 1<sup>st</sup> Credit Union is pleased to announce that we will be reopening our Member Service Center lobbies starting March 31, 2021. Over the past year, we've taken every precaution in following local and CDC guidelines to ensure the upmost safety for our members and staff. We encourage our "at risk" members to continue to utilize our full service drive-thru and digital banking channels.

As part of our reopening, we have established the following safety measures inside each branch:

- Plexiglas panels are installed at each teller station
- Hand sanitizing stations will be available
- Face coverings recommended according to government mandates
- Signage will be in place to promote physical distancing
- Limited capacity within the lobbies
- Please limit your party size to only those required to complete a transaction
- Coffee stations will be temporarily closed to members
- Regular cleaning & disinfecting of high traffic areas

We thank you for your patience during these unprecedented times and are looking forward to welcoming you into our lobbies again soon!!
