◆ “I cannot tell you how appreciative we are during this pandemic, it (overdraft protection) has been a life saver. There have been times it has really helped. Thank you so much!”

◆ “Great staff with excellent customer service. I was originally a member in Waycross then moved several years ago closer to the Kingsland branch. The transition was smooth and easy. I just wouldn’t think of banking anywhere else!”

◆ “Two days ago was my first experience with United 1st Credit Union. I was welcomed with open arms and I was pleasantly surprised how the managers were eager to help me with my situation. They made me feel very comfortable to ask as many questions as needed and they had the answers. The atmosphere I was in felt very family oriented. The tellers were friendly. My process for getting a loan was short, fast and smooth. I am delighted and proud to say I am now a member. I recommend everyone to stop in and see them for any reason. You won’t be disappointed. They have so many services available to help you. Thank you for your 5-star service. This institution is there for you and that makes all the difference in the world. You are their top priority. I will definitely be returning for any future services I may need.
